## Studio 6th Floor - 6,000 sq ft - Hosts up to 300 guests

Ceiling Height - 14'. Classroom: 200. Cocktail: 300. Dinner: 240. Theater: 260

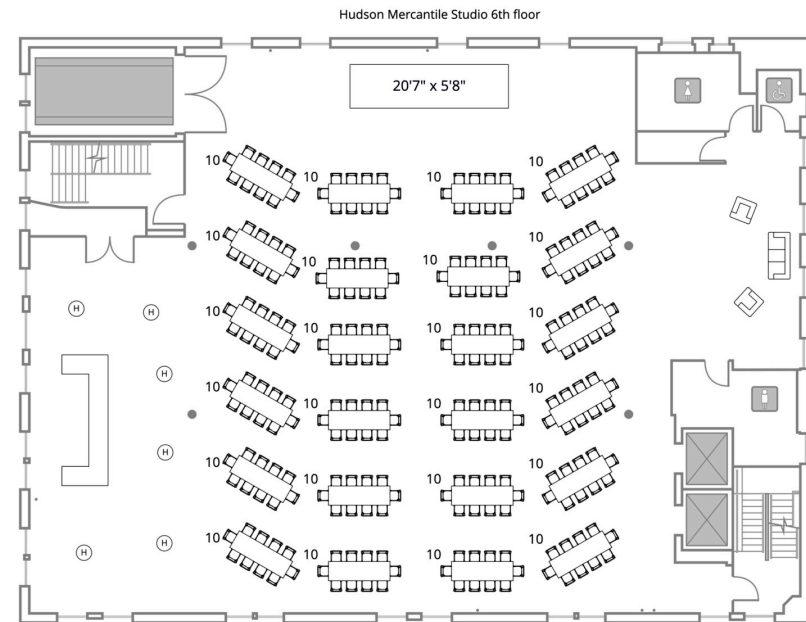

The 6,000 sq ft space is a great raw loft-like space that's perfect for everything from trade shows and fashion shows to product launches and non-profit galas. Bar/Bat Mitzvahs and weddings are perfect in the space as it transforms fully into the creative vision of the planner.

The venue boasts stunning city views, including the Empire State Building, The New Yorker, the Jake Javits Center and the Hudson River. The venue's interior is designed with white walls and rustic concrete floors, creating a blank canvas that can be customized to suit any event's theme. The 14' high ceilings give the venue a spacious and grand feel. And they are outfitted with the state of the art Bentley Meeker Lighting and Staging design.

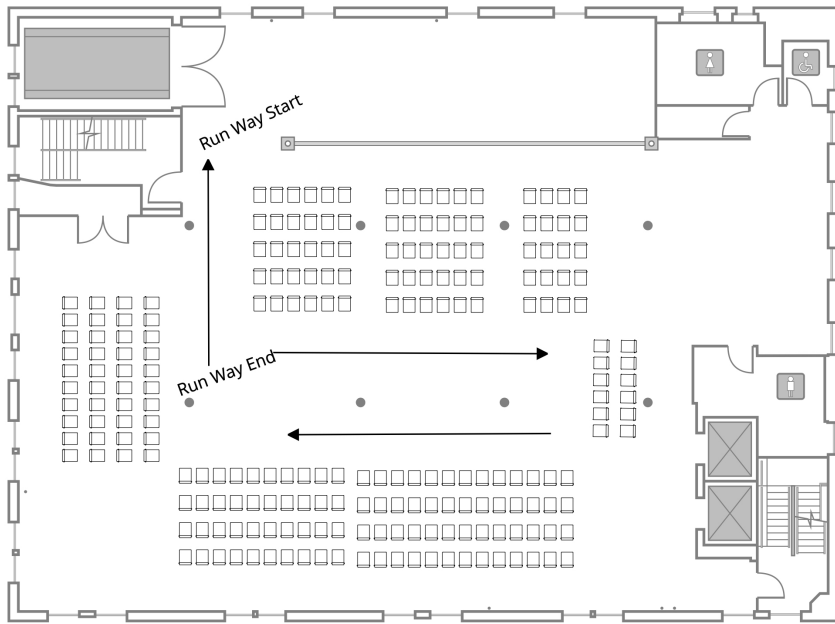

The venue can be accessed by a pair of private express elevators, which are exclusive to the venue, ensuring that the guests have a VIP experience from the moment they arrive. The venue has a freight elevator, making it easy to transport equipment and decorations to and from the space - it can be outfitted to lift cars up to the space as well.

## Gallery 1st Floor - 5,200 sq ft - Hosts up to 300 guests

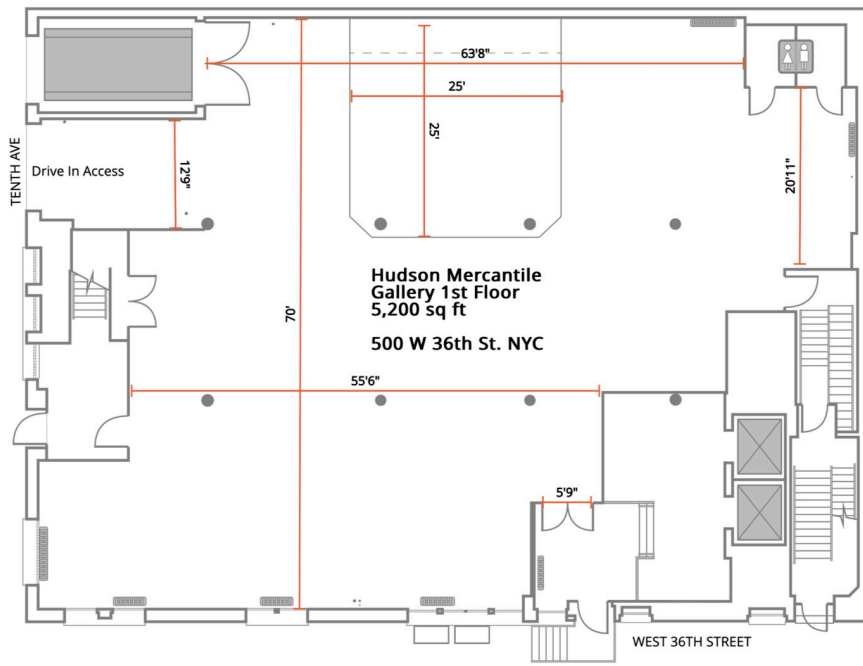

Ceiling Height - 20'. Classroom: 150. Cocktail: 300. Dinner: 200. Theater: 250

This is a versatile event space that caters to a variety of needs. With the drive-in access, it allows for easy loading and unloading of equipment and goods, making it an ideal space for concerts, trade shows, and exhibitions. The cyclorama for backdrops provides a blank canvas for creative expression and can be customized to suit the event's theme.

The multiple entrances ensure smooth flow of people, preventing overcrowding and congestion. The up-lit columns add a touch of elegance and sophistication to the space, creating a warm and inviting ambiance. The provision of wifi ensures that guests can stay connected and productive during their time in the space.

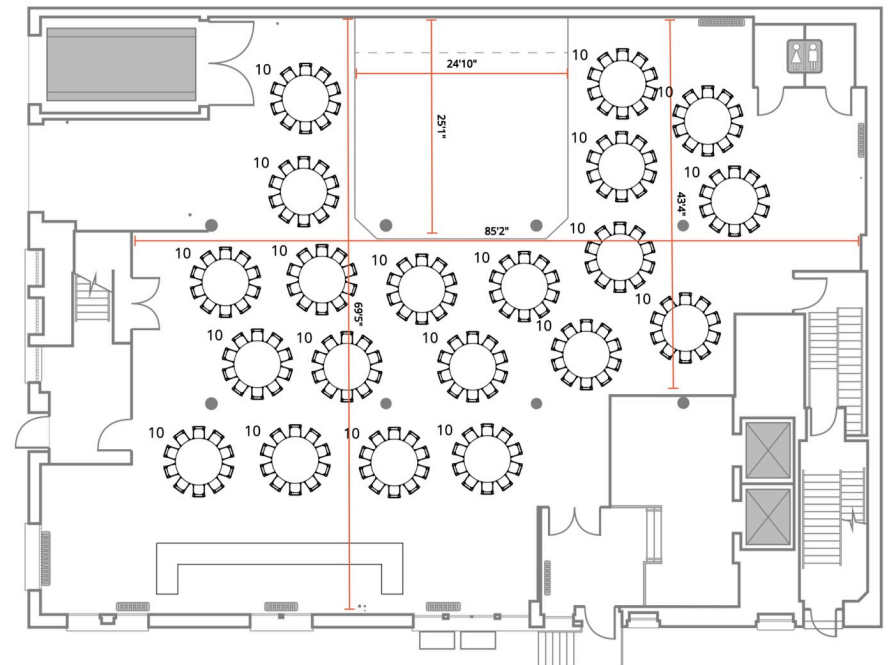

The prep kitchen is a convenient feature for caterers and event planners, allowing for easy food preparation and storage. The green room provides a private and comfortable space for performers or speakers to relax and prepare before their performance.

Overall, this event space provides a perfect blend of practicality and aesthetics, making it a top choice for any event planner looking for a versatile and functional space.
