

HUDSON MERCANTILE

Studio 6th Floor - 6,000 sq ft - Hosts up to 300 guests

Ceiling Height - 14'. Classroom: 200. Cocktail: 300. Dinner: 240. Theater: 260

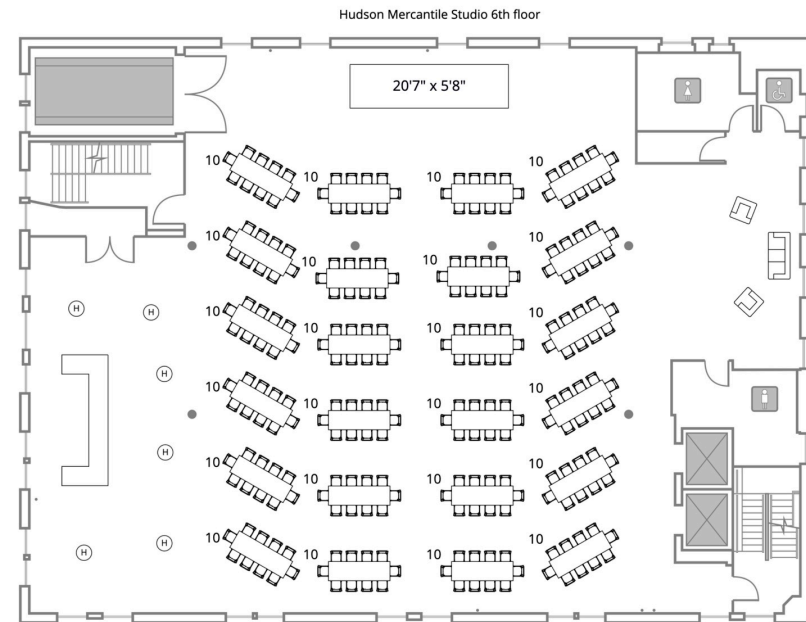

The 6,000 sq ft space is a great raw loft-like space that's perfect for everything from trade shows and fashion shows to product launches and non-profit galas. Bar/Bat Mitzvahs and weddings are perfect in the space as it transforms fully into the creative vision of the planner.

The venue boasts stunning city views, including the Empire State Building, The New Yorker, the Jake Javits Center and the Hudson River. The venue's interior is designed with white walls and rustic concrete floors, creating a blank canvas that can be customized to suit any event's theme. The 14' high ceilings give the venue a spacious and grand feel. And they are outfitted with the state of the art Bentley Meeker Lighting and Staging design.

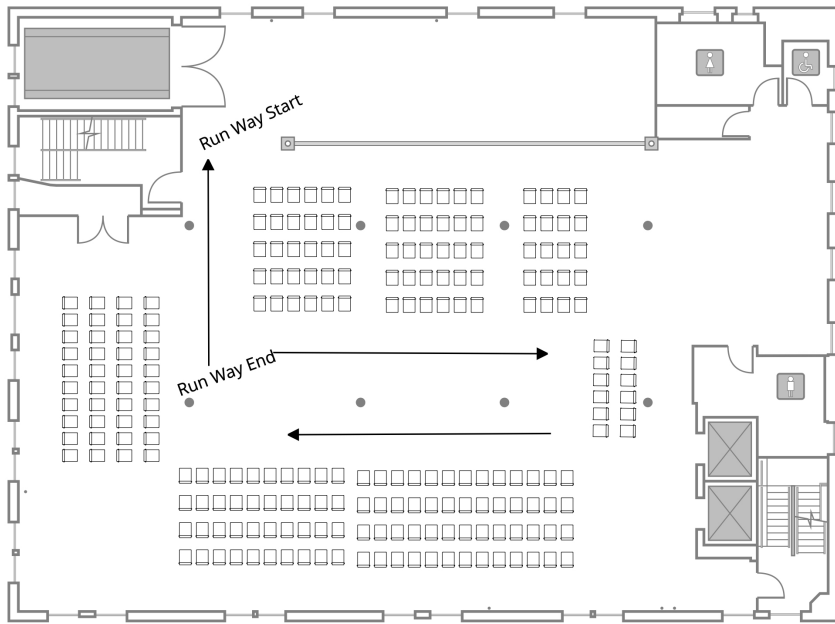

The venue can be accessed by a pair of private express elevators, which are exclusive to the venue, ensuring that the guests have a VIP experience from the moment they arrive. The venue has a freight elevator, making it easy to transport equipment and decorations to and from the space - it can be outfitted to lift cars up to the space as well.
